2017 SCHOLARSHIP CRITERIA AND CONDITIONS

1. INTRODUCTION

This policy sets out the requirements of the Australian Institute of Quantity Surveyors (AIQS) for the awarding of scholarships available for students.

The AIQS is a professional standards body. Through its leadership, standards and code of ethics, it ensures that practising members' are dedicated to maintaining the highest standards of professional excellence. The Institute is a national organisation with Chapters and Divisions in all States and Territories. It also has a strong overseas membership and is the Australian peak body to the International Cost Engineering Council and the Pacific Association of Quantity Surveyors.

2. SCHOLARSHIPS

The AIQS offers a number of scholarships for Year 12 students who qualify for entry into a Quantity Surveying, Construction Economics, Construction Management (Economics) or other appropriate course at an AIQS accredited university in Australia.

3. SCHOLARSHIP VALUE

The total value of the scholarship is AU\$3,000. This includes the following:

- a monetary value of AU\$2,000 (there are no restrictions on use);
- AIQS published text books and manuals which are required reading for Quantity Surveying courses to the value of AU\$1,000; and
- Student membership with the AIQS

4. APPLICATION CRITERIA

To be eligible for scholarship, applicants must all of the following requirements:

- be an Australian permanent resident;
- be enrolled in Year 12 in Australia; and
- achieved reasonable results in English and Maths units whilst in Year 11.

5. APPLICATION REQUIREMENTS

Application for a scholarship involves three components.

- 5.1 Complete the Scholarship Application Form. This **must** include certification from your Parent / Guardian and School or College Principal.
- 5.2 Include a certified copy of the applicant's Year 11 academic record, results and report.
- 5.3 Complete a 500 word essay on the following topic:

"Describe the role and services of the Quantity Surveyor (Project Cost Manager) and comment on the future of the Quantity Surveying profession."

6. APPLICATION SUBMISSION

Applications must be submitted to the AIQS address or email details stated on the Scholarship Application Form. Applications must be received by the AIQS by close of business on the Closing Date stated on the Scholarship Application Form.

7. ACCEPTANCE OF SCHOLARSHIPS

Conditions apply to the acceptance of scholarships. These conditions are as follows:

- 7.1 The scholarship recipient must enroll and be accepted into a Quantity Surveying, Construction Economics or Construction Management (Economics) course at an Australian University accredited by the AIQS. A list of these are available in the AIQS Accredited Tertiary Course Guide.
- 7.2 The scholarship recipient must successfully complete the first year of this course.
- 7.3 The scholarship recipient's parent or guardian must guarantee to repay the scholarship to the AIQS if the recipient fails to satisfy conditions 7.1 and 7.2 above. Such repayment is to be made one (1) month of notification from the AIQS.
- 7.4 Scholarship recipients are expected to assist in promoting Quantity Surveying courses at Careers Expos held in their relevant capital city.

8. PAYMENT OF SCHOLARSHIPS

The AIQS will pay the scholarship amount to the recipient by cheque (or their nominated payee) and copies of relevant professional text books upon receipt in the AIQS National Office of a copy of the approved university Student enrolment advice which must identify the course being undertaken.
