APPLICATIONS NOW OPEN FOR YEAR 12 STUDENTS

AIQS DONALD NAPIER SCHOLARSHIP 2026

The future of Australia's built environment starts with the people who shape it.

AIQS

ABOUT THE SCHOLARSHIP

Each year, AIQS grants a range of partial scholarships to commencing university students as they enrol in an AIQS-accredited degree within Australia.

Through the generosity of the late Donald Napier, the Australian Institute of Quantity Surveyors is able to support the future leaders of the Quantity Surveying profession as they begin their relevant university degree.

These scholarships are designed for students who qualify for entry into a Quantity Surveying, Construction Economics, Construction Management, or other appropriate AIQS-accredited course at a university in Australia.

Applications will be assessed, and scholarships will be awarded within the coming months. This is an excellent opportunity for aspiring quantity surveyors and construction professionals to receive financial support while beginning their university studies in an AIQS-accredited program.

The future of Australia's built environment starts with the people who shape it.

AIQS

SCHOLARSHIP DETAILS

Each scholarship value: **AU$5,000.**

This includes:

- Grant of $4,000 total ($1,000 upon enrolment, $1,000 after completion of eight units, and $2,000 upon degree completion)
- Complimentary textbooks and manuals published by AIQS
- AIQS Student grade membership for the period of your studies
- Complimentary Graduate grade membership for one year post-graduation.

ELIGIBILITY DETAILS

For students commencing a Construction Management degree in 2027.

Candidates are assessed on four criteria:

- reasons for choice of course
- reasons for request of scholarship
- commitment to furthering the quantity surveying profession, and
- future career goals.

Only submissions reaching the minimum score will be put forward for judging in each of the four categories.

The future of Australia's built environment starts with the people who shape it.

AIQS
